SECTION 1. PURPOSE AND INTENT.

Because the county recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess and use tobacco, tobacco products, tobacco-related devices, and nicotine or lobelia delivery devices, and the sales, possession, and use are violations of both state and federal laws; and because studies, which the city hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a

financial burden on all levels of government; this ordinance shall be intended to regulate the sale, possession and use of tobacco, tobacco products, tobacco-related devices, and nicotine or lobelia delivery devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, tobacco-related devices, and nicotine or lobelia delivery devices, and to further the official public policy of the state in regard to preventing young people from starting to smoke as stated in M.S. § 144.391, as it may be amended from time to time. In making these findings, the County Board accepts the conclusions and recommendations of Center for Disease Control in their study "Selected Cigarette Smoking Initiation and Quitting Behaviors Among High School Students, United States, 1997," and of the following medical professionals in these medical journals: Khuder SA, et al., "Age at Smoking Onset and its Effect on Smoking Cessation," *Addictive Behavior* 24(5):673-7, September-October 1999; D'Avanzo B, et al., "Age at Starting Smoking and Number of Cigarettes Smoked," *Annals of Epidemiology* 4(6):455-59, November 1994; Chen, J & Millar, WJ, "Age of Smoking Initiation: Implications for Quitting," *Health Reports* 9(4):39-46, Spring 1998; Everett SA, et al., "Initiation of Cigarette Smoking and Subsequent Smoking Behavior Among U.S. High School Students," *Preventive Medicine*, 29(5):327-33, November 1999, copies of which are adopted by reference.

SECTION 2. DEFINITIONS.

Except as may otherwise be provided or clearly implied by context, all terms shall be given their commonly accepted definitions. For the purpose of this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

Penalty, see Section 14.

SECTION 8. RESPONSIBILITY.

All licensees under this chapter shall be responsible for the actions of their employees in regard to the sale of tobacco, tobacco products, tobacco-related devices, or electronic delivery devices on the licensed premises, and the sale of an item by an employee shall be considered a sale by the license holder. Nothing in this section shall be construed as prohibiting the county from also subjecting the clerk to whatever penalties are appropriate under this chapter, state or federal law, or other applicable law or regulation.

Penalty, see Section 14.

SECTION 9. COMPLIANCE CHECKS AND INSPECTIONS.

All licensed premises shall be open to inspection by the Isanti County Law Enforcement or other authorized county official during regular business hours. No minor used in compliance checks shall attempt to use a false identification misrepresenting the minor's age, and all minors lawfully engaged in a compliance check shall answer all questions about the minor's age asked by the licensee or his or her employee and shall produce any identification, if any exists, for which he or she is asked. Nothing in this section shall prohibit compliance checks authorized by state or federal laws for educational, research, or training purposes, or required for the enforcement of a particular state or federal law.

Penalty, see Section 14.

SECTION 11. EXCEPTIONS AND DEFENSES.

Nothing in this chapter shall prevent the providing of tobacco to a minor as part of a lawfully recognized religious, spiritual, or cultural ceremony. It shall be an affirmative defense to the violation of this chapter for a person to have reasonably relied on proof of age as described by state law.

If the hearing officer determines that a violation of this chapter did occur, that decision, along with the hearing officer's reasons for finding a violation and the penalty to be imposed under division (B) of this section, shall be recorded in writing, a copy of which shall be provided to the city and the accused violator by in person delivery or mail as soon as practicable. Likewise, if the hearing officer finds that no violation occurred or finds grounds for not imposing any penalty, those findings shall be recorded and a copy provided to the city and the acquitted accused violator by in person delivery or mail as soon as practicable.
