NOTICE IS HEREBY GIVEN that the Isanti County Board of Commissioners took action at a Public Hearing on Wednesday June 17th, 2015 to make the following amendments to the Isanti County Zoning Ordinance:

The Ordinance as amended will read as follows:

Section 14. General Regulations

Subdivision 10. Commercial Wireless Telecommunication Towers and Antennas

#4. Co-location Required

- a. If a new tower or antenna support structure over 99 feet in height is to be constructed, it shall be designed to accommodate a minimum of two other users of similar antenna configurations including but not limited to other cellular communication companies, police, fire and ambulance companies; if the proposed tower or antenna support structure is between 35 and 99 feet in height it shall be designed so as to accommodate at least one (1) additional user. In satisfying co – location requirements, the owner of the tower must provide adequate access to the tower site and ground space within the owned or leased area to accommodate co – location user's equipment needs.

Adopted by the Isanti County Board of Commissioners on the 17th day of June, 2015
